Make them?
Are you serious?
Next you'll be
telling me if
I don't have
bread, I should
just eat cake.

If he
doesn't have
any convicts,
why don't
you just
make some?

IF HE REQUESTS
YOU, NO PROBLEM

Mmm,
Yeah?

No convicts,
no kinks,
no tangles...

Miyamura's
hair is so
soft and silky.
It pisses
me off.

AHH!!
I'M SO
JEAL-
OUS!!

Brush it out
and it's done.
...Just
try not to
overdo it,
Kyo-chan.

Oh, I get it!
And it's easier
than a curling
iron, too.

It's only
temporary,
though...

No, I mean...
If you tie
your hair up,
doesn't it take
a while before
it goes back
to normal?

Is this
some sort of
punishment?

Totally
Satisfied

OK!

YOUR HAIR
WAS IN THE WAY
FOR A SECOND

while since
I did either,
so I'm
rather
unused to it

Just a
little bit
I'm thirsty

Ah, that's
miserable

Myuuu...

Ever since
then, Shindou
would start
pestering me

Honestly
did I miss
everyone

Oh right
did you
watch TV
last night?
The Clasha
live
broadcast!

Yes

Lately
they've
been...

No
that
last it

Oh
Tanihara
You
needed
to go
home?

That
last it?
You're at the
school after
all

Shimada

Lately

You've been
real close
with
Miyamura

Why
not?

This isn't
like you to
interact
with
Miyamura
of all...

Thanks
to
you
guys

You'll
realize that
he's a pretty
interesting
guy once
you talk
to him

He's so depressing

Can that guy
sit so close
with you
you'd best stop
looking around
with him

He's bad
news, even
more so
when he's
angry

And
speaking of
which, I've
seen the area

he has poked
so many holes
in there

Listen
Shin...

!!

And he's
free to
get
penicillin

I wonder
who's
responsible
for
Myemura's
gloomiest
time?

It's not just
Myemura

In any
case it'll
be bad
news when
anyone gets
angry

'You guys are
only smiling
to accept that
I've been taken
away by
Myemura
right?'

That
here

But...

About
1.60m

Yes

What? You're
about 1.60m
tall?

1.60m
exactly
?

You liar!
At most you're
just 1.60m! You
could only get
shorter!

My future
later you
decided on
what
high school
you're going
to?

Having
Ginndou
beside me

I'm still
not used
to

Guy's
will
have to
wait

Oh, then
should we
go to a
family
restaurant?

Ah, honestly
if you want
to talk, why
don't we find
somewhere
cooler for
your drink?

But?

Hurry up
departure

Has to
be

And the
person who
gave me
this moment

Good-bye

close, yet wishfully hoping to touch.

[--- Kyoko]

[Mummy really must go...]

[Although I'd really like to stay by your side.]

[But I've always
made use of
that fact I'm
really sorry...]

[Eyes, you've
always been
strong, and able
to withstand
anything.]

[I'm not a
child now.]

[It's okay. I
know that Dad's
not at home,
and Mommy's
having a rough
time at work.]

[so it's
okay.]

[Have a
safe trip,
Mummy]

Where is
that
you're
going to
take...

Why's it
always
always
always like
this?

Why are
you
always
not
around...

Though it's not time for lunch yet you'll still need to eat something before you can take your medicine.

Anyway, you should be going to bed first.

I hope your temperature didn't go up though.

He-He-He

I feel

[I like you]

Because I lost
such a huge
death, my
fear went
down by a
little...

Humans
are
really...

[I'd like
to clarify
it, but]

I don't
really want
him to say
it earlier
time.

Why he
have to say
it along with
what he
needs to tell
me?

Did he say it
because he
know I was
crying?

Why?

[I can't
understand]

...if I just
pretended

that I didn't
have a thing

Would we
be able to

continue our
present
relationship a
little longer...
